By issuing this certificate Sterling Medical Registration does not make any representations or warranties to anyone or entity other than the named certificate holder for whole sole benefit it is issued. Sterling Medical Registration holds no liability to any person or entity in connection with the foregoing.

Pursuant to 21 CFR 807.39 Registration of a device establishment or assignment of a registration number does not in any way denote approval of the establishment or its products. Any representation that creates an impression of official approval because of registration or possession of a registration number is misleading and constitutes misbranding.

The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. Sterling Medical Registration is not associated or affiliated with the U.S. Food and Drug Administration.
